

HipMaps:

It's like a 24/7 concierge!

Enhance your guests' experience in a unique way: HipMaps is a modern real-time map, loaded with your recommendations of THE things they shouldn't miss during their stay.

- ✘ Share your local expertise to create meaningful connections.
- ✘ Craft personalized suggestions to make their stay exceptionally enjoyable and unforgettable.
- ✘ Elevate your guests' experience to outshine competitors.

Maps are printable and included in our interactive app

For each location, app users can:

- Read your curated comments
- Link to websites
- Get directions

Your design includes:

- Exactly what you choose to include
- Your colors, style and branding

It's the perfect amenity to give guests a curated local experience!

Visit HipMaps.com for both a demo of the app and a discount code.
